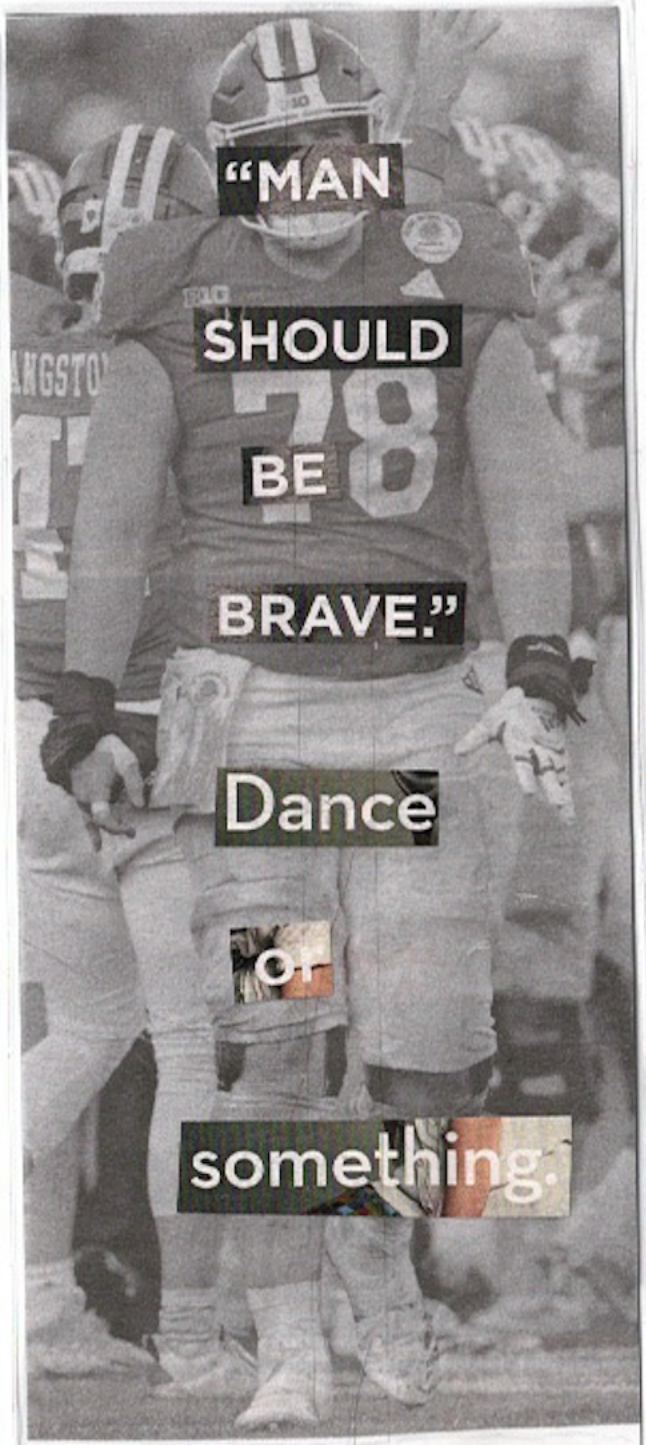
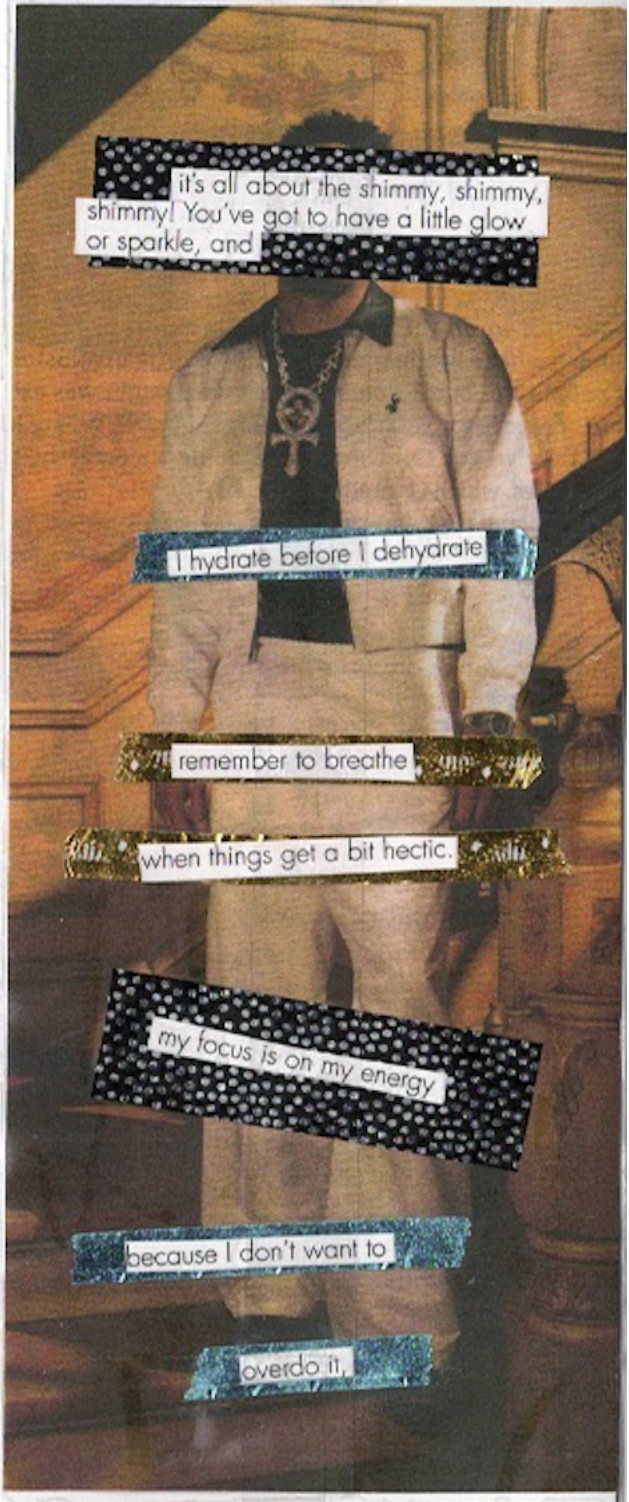
It's so terrifying. It's risky. It makes you so vulnerable. And it will trigger every little issue that you either know you have or didn't even know you have.
I like a nude.
Tired Parent
YOU ARE
Magical!
as middle-class women more firmly established their place in the paid workplace, the amount of invisible labour they did actually increased.
full plate of mom obligations, plus
"Black women are three times more likely to die as a result of childbirth, and this is reversible,"

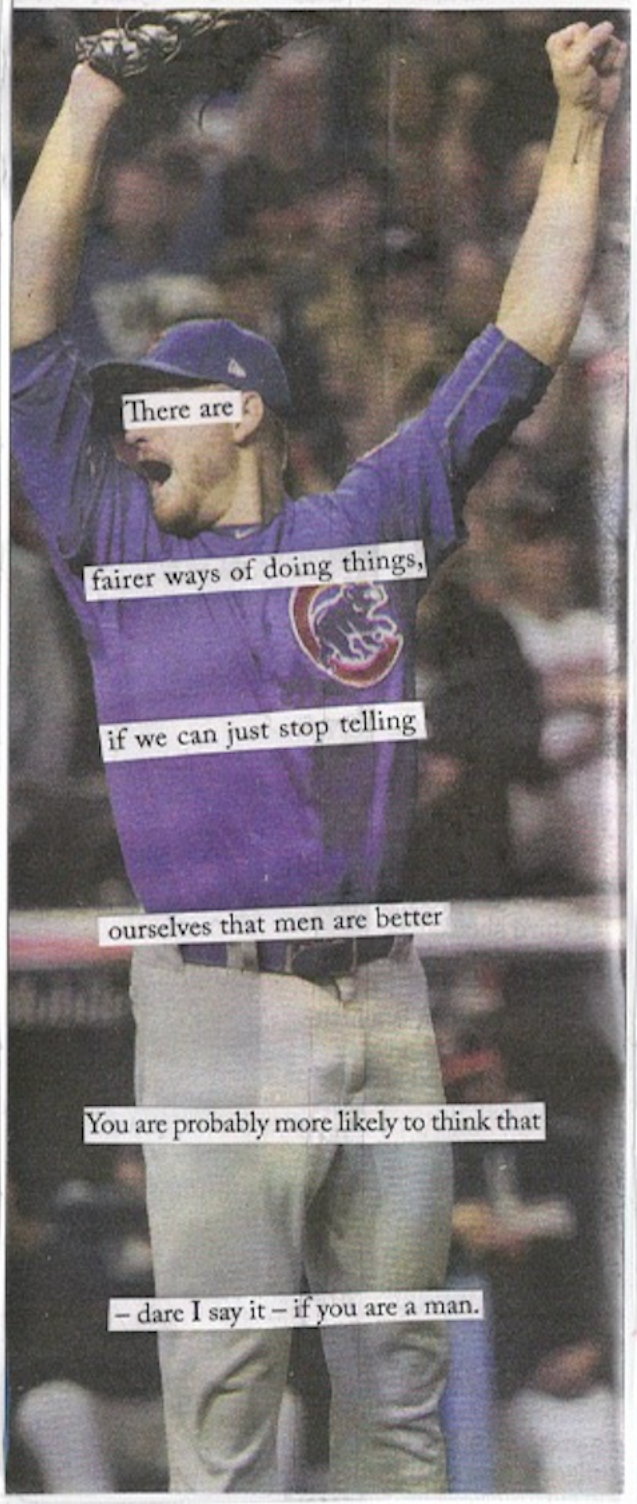


"MAN
SHOULD
BE
BRAVE."
Dance
or
something.



it's all about the shimmy, shimmy, shimmy! You've got to have a little glow or sparkle, and
I hydrate before I dehydrate
remember to breathe
when things get a bit hectic.
my focus is on my energy
because I don't want to
overdo it.

equally enthusiastic:
WINNER
on your terms.
Sometimes we want to stay quiet



There are
fairer ways of doing things,
if we can just stop telling
ourselves that men are better
You are probably more likely to think that
– dare I say it – if you are a man.

Barn's burnt down
Now
I can see the moon
